# What is IAC?

The **I**nternational **A**stronautical **C**ongress is the annual space congress organised by the International Astronautical Federation (IAF)

PROGRAMME

**5 congress days**

Plenary Lectures, Highlight Lectures, Global Networking Forum, Technical Programme, Interactive Sessions and much more

EXHIBITION

**Over 250 exhibitors**

Unique chance for organizations to showcase their developments and contributions to key industry representatives

NETWORKING

**Over 6,000 delegates**

Networking and meeting opportunities with aerospace, defense and government leaders, and industry entrepreneurs

PUBLIC DAY

**Encouraging public awareness**

Great opportunity for visitors to discover the space industry and its implication in the world we are living in.

**World's premier global space event**

# IAC 2022 in Paris

## When?

18 – 22 September 2022  
Hosted by CNES

## 2022 is great year:

Celebrations of the  
60<sup>th</sup> anniversary of CNES's inception

## What to expect?

IAC is the one place and time of the  
year where all global space players  
come together.

## Where?

Paris Convention Centre  
Located inner Paris  
Only 15 minutes from the Eiffel Tower.

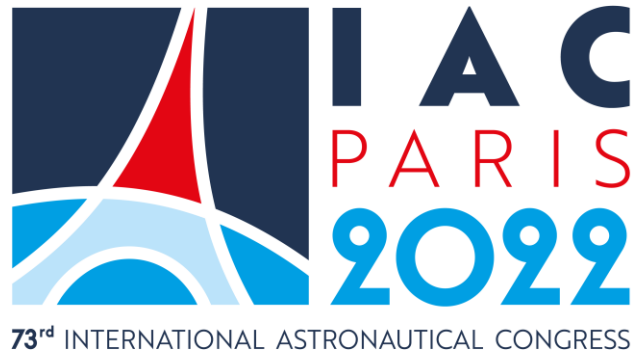

## Our motto: Space for @ll

We will be reaching beyond the space  
community to bring together all  
communities and offer great  
opportunities for networking and forging  
contacts and potential partnerships.

## What's next?

Visit our website [www.iac2022.org](http://www.iac2022.org) and  
stay updated with the latest news.
